

Drunk Driver Bill Approved

First 2 Convictions To Be Misdemeanors

JEFFERSON CITY (AP) — The House today passed Gov. John M. Dalton's recommended bill to crack down on drunken drivers.

The vote sending the measure to the governor's desk was 146 - 6.

As worked out by a House-Senate conference, the bill makes misdemeanors of the first two convictions for drunken driving, subject to a fine or jail sentence, or both.

Young Party Group Hears GOP Leaders

Excitement Centers Around Night Speech

SAN FRANCISCO (AP)—Feuding Young Republicans took time out today to hear from senior party leaders expected to counsel unity.

The main excitement centered over the night speech due to be delivered by Sen. Barry Goldwater, R-Ariz., clearly the hero of more than 1,000 youthful Republicans going into the third day of their four-day convention.

Also slated to appear were former U.S. Sen. William Knowland of California in the morning, and freshman Sen. Jack Miller of Iowa at noon.

All three were expected to follow the lead of Oregon Gov. Mark Hatfield, who advised the Young Republicans Wednesday to form a united front and stop intra-party warfare.

However, discord appeared both in the organization ranks and in the concurrent meeting of the Collegiate Republicans.

After a day of wrangling, the college group wound up with two chairmen elected for the next two years—each claiming to be the "legitimate" chairman.

Showdown In Kentucky On Segregation

FRANKFORT, Ky. (AP)—A legal show down loomed today on Gov. Bert Combs' executive order directing the end of segregation in all state-licensed businesses and professions.

Jack M. Lowery Jr., attorney for the Louisville Tavern Operators Association, said the order is unconstitutional.

"No provision I know of authorizes a governor to regulate the affairs of private citizens by proclamation," he said.

Civil rights leaders generally hailed the order.

The governor's office, which sought advice from the U.S. attorney general before drawing up the order, said it is valid and enforceable.

Practically every retail outlet in the state and almost every profession serving the public is affected by Combs' directive, to take effect in two months at most.

Julius Rather, the governor's legal assistant, said Wednesday's document is the most all-encompassing any state has proclaimed. He predicted the Supreme Court will uphold Combs' action if a lawsuit is carried that far.

Manning Waives Assault Hearing In Warrensburg

Spencer Manning, Knob Noster, waived preliminary hearing in the court of Johnson County Magistrate Betty Pine Lockard this morning, on a charge of felonious assault with intent to do bodily harm. His case was bound over to the October term of Circuit Court in that county.

Manning was arrested after an altercation about 10 p.m. Monday on Knob Noster's main street. He is charged with felonious assault on Jack W. Krause, employed with Palmer Tool Company, Sedalia. Krause was taken to Bothwell Hospital Monday night where 22 stitches were taken to close three lacerations, by Dr. A. J. Campbell.

Free now on \$2,000 bond, Manning was earlier confined to Johnson County Jail, according to Sheriff William O. Fortney.

The third conviction would be a graduated felony, subject to a jail sentence of from 90 days to a year, or a prison sentence of from two to five years.

Officers would have not more than an hour and a half after a violation to arrest the driver.

Opponents tried in vain to get the bill sent back to conference. Leaders of both houses conceded today the legislature will have to work right up to the Sunday midnight deadline. It would be impossible, they said, to quit Saturday night as had been planned.

House majority leader James G. Trimble, D-Clay County, said in a statement the House would have no difficulty passing the 60 bills still on the calendar. And he took a crack at the Senate.

"I hope the Senate will recognize its responsibilities and reconsider its intention to adjourn Saturday," he said.

Trimble said the Senate still has a number of important bills to consider, including the school foundation program, the public accommodations bill and perhaps the conflict of interest bill.

Sen. Albert M. Spradling, D-Cape Girardeau, president pro tem of the Senate, said the Senate has decided to continue working long days right up to the deadline.

Goldwater Will Offer Amendment

WASHINGTON (AP)—Sen. Barry Goldwater said today he intends to offer an amendment to President Kennedy's civil rights legislation that would deny National Labor Relations Board and other benefits to unions which practice discrimination.

"I am not at all surprised that provision of this sort was left out of Kennedy's civil rights package program," the Arizona Republican said in an interview. "I don't think the administration will support the amendment in a showdown but I am going to give its supporters a chance to go on record."

A Labor Department spokesman, asked how the government could take action against unions which discriminate, said apprenticeship programs often have to be certified with the government and when discrimination is found the government can and has denied certification.

Last month, Undersecretary of Labor John F. Kenning said racial equality in high-skill apprenticeship programs will be enforced despite lack of punitive authority in the law.

Goldwater, being touted by some Republicans as a possible presidential opponent of Kennedy in 1964, said he will support most of the proposals made in a bill offered by Senate Republican leader Everett M. Dirksen of Illinois and Senate Democratic leader Mike Mansfield of Montana.

MPSC Makes Second Franchise Payment

Missouri Public Service Company today made its second quarterly electric and gas franchise payment for 1963 to the City of Sedalia for the use of streets and alleys.

Harry Kull, District Manager, gave the City Clerk a check in the amount of \$31,571.49, which is one-fourth of the franchise payment based on the Company's sales of electricity and gas to consumers in Sedalia during the year 1962. Two additional payments will be made during the year at the end of each quarter.

The franchise payments are in addition to real estate, personal property and other taxes paid to Pettis County including the City of Sedalia.

For Past Year

Sedalia Street Reports Given

Mayor L. L. Studer of Sedalia today released the report by Robert Cunningham, city engineer, concerning work done by the Street and Alley Department during fiscal year 1962-1963, ending May 31.

In the prelude to the report, the Mayor stated, "I should like to emphasize that none of the expense incurred on the streets was assessed against the property owners, but was paid for from the revenue derived from the gas-

oline taxes, parking meters and the general revenue funds."

Following is the report: Mixed and placed 4,100 tons of asphalt patching material in chuk holes on 82.9 miles of asphalt surfacing and 18 miles of old concrete pavement.

Sealed cracks and joints in 19 miles of concrete pavement and 12 miles of hot mix asphaltic concrete surfacing.

Spread road mix asphalt mat surface on 21 blocks of old black-top surface where there were too many chuk holes for economical hand patching.

Spread road mix asphalt mat surface on three blocks of old blacktop surface where new curb and gutter was constructed and paid for by property owners.

Bladed 230 miles of gravel and dirt streets and 40 miles of alleys. Spread 1,400 cubic yards of gravel in mudholes on 23 miles of gravel and dirt streets and 40 miles of alleys.

Installed 410 new pipe culverts on driveways and intersections of streets and alleys and covered with gravel. Property owners purchased pipe used on private driveways.

Cleaned out road ditches and culvert pipes on 255 blocks of streets.

Rough excavation for 18 blocks of new curb and gutter on existing streets.

Grading for opening four blocks of existing streets to traffic.

Spread gravel purchased by property owners on three blocks of dirt streets.

Spread 19 tons of rock salt and calcium chloride and 49 tons of sand on icy streets.

Removed snow from 39 blocks of downtown streets.

Bladed snow off 34 miles of through streets and residential streets.

Attempts To Offset JFK's Berlin Visit

BERLIN (AP)—There is speculation that Premier Khrushchev may bring Soviet spaceman Valentina Tereshkova to East Berlin Friday in an attempt to offset President Kennedy's triumphant visit to West Berlin.

Observers said the Soviet leader will have to do something spectacular to whip up enthusiasm among the East Berliners.

There has been speculation that Khrushchev might reveal a new Soviet policy on German problems. But the general feeling is that he is too busy disputing with the Red Chinese to take on the West for a new period of acute tension.

There is little chance, however, that even the 26-year-old spacewoman could bring out the crowds or arouse the enthusiasm that greeted Kennedy in West Berlin Wednesday.

Gerhard Goetting, an East German Communist party official, said during a round-table discussion with East Berlin newsmen that "The visits of Khrushchev and Kennedy cannot be compared. Khrushchev, said Goetting, was coming to support East Germany's policy of peace as well as to honor East German Communist boss Walter Ulbricht, who will be 70 Sunday.

Kennedy did nothing but "aid the West German militarists who want to start another war . . . He never said a single word in West Berlin about the necessity of keeping peace in the world," Goetting said.

Khrushchev is scheduled to land at Schoenefeld Airport, on the outskirts of the city's Soviet sector, and drive in a motorcade to the East Berlin city hall, the East German news agency ADN reported.

The Weather

Fair to partly cloudy and continued warm through Friday. Chance of a few scattered showers and thunderstorms tonight. Low tonight 65 to 72. High Friday 90 to 97. Winds southerly 5 to 12 mph tonight.

The temperature Thursday was 71 at 7 a.m. and 89 at 1 p.m. Low Wednesday night was 69, with .12 of rainfall.

The temperature one year ago today was, high 90; low 61; two years ago, high 85; low 65; three years ago, high 81; low 67.

Lake of Ozark stage: 39 feet; 1 foot below full reservoir; no change.

Sedaliens Charged In Gas Thefts

Two young Sedaliens, William Harvey Walters, Jr., 19, of 2110 South Engineer, and Floyd Cecil Weathers, 17, Route 3, have been charged with petit larceny by police in connection with the taking of some gasoline from a truck owned by Thomas Fisher, 1604 East Harvey.

Police received a report that gasoline was being stolen at the address on Harvey at 10:31 p.m. Wednesday. When officers arrived the subjects had run off, but a car they left at the scene was traced to Walters, police said.

Officers Albert Blankenship and Gordon McDowell searched the area and found the two youths hiding in the basement of a burned house in a nearby field.

Police said Walters and Weathers were still being held in the city jail at noon Thursday.

When officers arrived at the scene a juvenile aged girl was noted running away. She was caught and taken home, but authorities had some difficulty keeping her there.

Police said the girl was apprehended by Officers William Burnham and Virgil Frazier at Boonville and the M-K-T Railroad tracks and then brought to the police station. Juvenile Officer Cecil Glenn took the girl to her home, but as he drove up to the house she jumped out of the car.

About an hour later she was picked up while hitchhiking on west Highway 50 by Highway Patrol Trooper Pete Stohr. Glenn and Stohr took the girl home for the second time at 12:15 a. m. Thursday.

Kennedy Returns To Land of Forefathers

Predict New Employment Standards

To Eliminate Discrimination In Federal Work

WASHINGTON (AP)—Secretary of Labor W. Willard Wirtz said today the government soon will issue new standards to make sure there is no discrimination in employment on federal projects.

The government's nondiscrimination policy in the construction industry will be tightened, he said, to make sure before a contract is awarded that contractors can comply — not after work on the contract begins.

The forum for Wirtz' announcement was a meeting of a House judiciary subcommittee where he testified in support of President Kennedy's civil rights package.

Of the quest for improving the lot of the American Negro, Wirtz said in his prepared testimony: "There has been no more important issue before the country and the Congress—save only the issue of war and peace."

Wirtz followed Atty. Gen. Robert F. Kennedy, who urged passage of the program Wednesday. Republican members made clear that the GOP price tag for helping the Democratic administration get the bill through Congress is a strong hand in writing the legislation.

They showed the administration can count on GOP support only if it is willing to compromise on its sweeping seven-point program.

In advance of Wirtz' testimony, Sen. Barry Goldwater, R-Ariz., made known that he intends to offer an amendment to deny National Labor Relations Board and other benefits to unions that practice discrimination.

Anti-Strike Re-hearing Is Sought

JEFFERSON CITY (AP)—Attorney General Thomas F. Eagleton asked the U.S. Supreme Court today for a rehearing on its decision knocking out Missouri's utility anti-strike law.

The court held the state had no right to seize the Kansas City Transit Co. to prevent a strike by its operating workers.

Since the decision, the union, Amalgamated Association of Street Electric Railway and Motor Coach Employees of America, has announced new strike plans and a bus stoppage is reported imminent.

In his petition for a rehearing, mailed today, Eagleton argued the U.S. Supreme Court ignored the issues on which the Missouri Supreme Court upheld the law.

He said the so-called King-Thompson law is a valid exercise of the state's police power.

He argued "Missouri should not be deprived of the right to make use of the King-Thompson Act to protect itself in true emergency conditions, of public danger, violence or disaster."

The transit company and union officials have been meeting in Kansas City to reach an agreement on a new contract.

Man Arrested On Charges Of Molesting Child

Kenneth Floyd Yost, 22, 400 East Second, was arrested by Sedalia police at 12:40 p.m. Wednesday in connection with the molestation of a nine-year-old Sedalia girl Tuesday evening.

Yost was arrested by Sgt. Perry Franklin and Officers Vic Phelps and Frank Lueck and taken to police headquarters. He was questioned there by police and Juvenile Officer Cecil Glenn and a statement was taken by Sgt. Charles Honan.

Yost was then taken to the office of Prosecuting Attorney J. R. Fritz, who Thursday morning filed a charge of child molestation in Magistrate Corus against Yost. Yost is being held in the county jail.

Another subject picked up by police in connection with a similar incident was questioned by officers and the prosecuting attorney and later released with no charges being made.

Has Tea In Barnyard With Cousins, Friends

DUNGANSTOWN, Ireland (AP) — President Kennedy returned to the homestead of his Irish forefathers today and drank tea in the barnyard with cousins and their neighbors.

The President's third cousin, widow Mary Ann Ryan, laid long tables for tea, cakes and pies to serve "Cousin Jack."

Neighbors, some in their Sunday best and some in aprons, helped serve.

The party assembled in the barnyard between Mrs. Ryan's house and the tin-roofed cottage the President's great-grandfather, Patrick Kennedy, left when he emigrated to Boston 120 years ago.

The cottage now is a storage shed.

Hundreds of jubilant Irish milled around the lane in front of Mrs. Ryan's home.

The President came to the hamlet of Dunganstown after a tumultuous welcome from thousands at nearby New Ross, the port from which Patrick Kennedy sailed to the United States.

"If he hadn't left, I'd be working at the Albatross company," Kennedy told the welcome, drawing a roar of laughter.

The Albatross company is a fertilizer factory on the other side of the River Barrow.

The President thanked Mrs. Ryan and "all the Kennedys who stayed here" for the party.

"This was a fine effort and we thank you very much," the President said. "I promise you we won't come back oftener than once every 10 years."

Ambassador Matthew McCloskey kept reminding the President it was time to go but Kennedy was having too good a time to tear himself away abruptly. Finally the President boarded his helicopter to fly to Wexford.

In Wexford, by the Irish Sea, thousands greeted the President and offered him the freedom of the city.

The President landed in his helicopter at the Wexford park soccer field and motored past cheering crowds to the Barry statue on Crescent Quay.

The town declared the day a holiday except for essential services.

Salveter's Appointment Is Confirmed

JEFFERSON CITY (AP)—The Senate Wednesday night confirmed 36 appointments of Gov. John M. Dalton, including that of Donald D. Guffey, Kansas City, as a member of the Public Service Commission.

Dr. Thomas R. Beveridge, Rolla, was approved to continue as state geologist and director of the Division of Geological Survey and Water Resources.

Other confirmations included: George A. Rozier, Jefferson City, as a member of the Board of Curators of Lincoln University.

Rolla E. Stephens, Joplin, to the Missouri Real Estate Commission.

Henry Salveter, Sedalia, to the state Savings and Loan Commission.

William C. Tucker, Warrensburg, Victor H. Simon, Springfield, John K. Hulston, Springfield, Frank C. Mann, Springfield, and Dr. Graham Clark, Point Lookout, to the Wilson's Creek Battlefield National Park Commission.

Mrs. Robert M. White H. Mexico, to the advisory board of the School for the Blind.

Dr. R. R. Rhoades, Jefferson City, state Dental Board.

Dr. Russell Powell, Monett, state Board of Optometry.

Paul Williams, Cape Girardeau, to the Division of Health.

Dr. Raymond A. Ruter, Cape Girardeau; Dr. R. A. Michael, Jefferson City, to the state Board of Healing Arts.

Kenneth G. Mehrle, Cape Girardeau, to the Board of Pharmacy.

Dr. Harold O. Gravel, Cape Girardeau, to the advisory board of the School for the Deaf.

Fill Berlin Streets For JFK's Visit

Long Time Since A US President Got Such Welcome

By J. A. DEAR

WEST BERLIN — It was a beautiful day and the streets here were bordered with smiles, mile after mile after mile, for President Kennedy.

His motorcade traveled nearly 37 miles through this beleaguered city, and at no point on the route were the streets empty. All along the way warm Berliners waved their hearts to him and everyone in the entourage that followed. Often you would see a dignified Burger wipe a tear from his eye.

It's been a long time since the United States, through any of its presidents, has received a comparable tribute. Perhaps not since the British Royal Marines threw down their arms to applaud Woodrow Wilson.

On the military threat Mr. Kennedy was reassuring. Though he left, he said, the United States would remain.

But on two other questions of overriding interest, reunification and the wall, he let Berlin down gently.

Said the President: "Reunification, I believe, will someday be a reality." It will come about, he said, if we bring the Communists "to see their own interests better than they do today." That can be done through strength and good example.

Self-deception and slogans won't upend the police state regime of the Eastern sector, he said.

Every German leader now knows the American administration has put reunification in the same category as the balanced budget: everyone's for the principle.

German leaders got the message long ago, but Mr. Kennedy was explicit.

Though welcome, Mr. Kennedy's promise of military support to protect West Berlin was probably unnecessary, in part because this protection is taken for granted, and in part because a Russian attack is considered unlikely.

Five of 12 Would Serve On Committee

Mayor L. L. Studer said today he has received five favorable responses to a letter he sent June 24 to a dozen Sedalia citizens asking them to serve on a committee to spearhead the campaign for the city's proposed \$3 million sewer bond election tentatively set for August.

Studer said the committee is composed of members of the ministry, former city officials and other influential citizens. Two Negroes have been asked to serve on the committee, Studer stated.

In his letter to the 12 persons, Studer pointed out two of the city's sewage treatment plants are grossly overloaded and the third is strained.

The committee will be appointed by the mayor and then would have to be approved by the City Council. Studer said political faith was not considered in his selection of the 12 citizens.

Studer said he has been producing the Missouri Water Pollution Board for a report on their study of the Burns & McDonnell Engineering Company's sewer survey.

The mayor indicated the names of the citizens sewer bond committee would be announced when the pollution board's report has been received and the report reviewed by the mayor and council.

To Hang August 8

TOPEKA (AP) — The Kansas Supreme Court today set Aug. 8 for the hanging of convicted murderers Perry Edward Smith and Richard Eugene Hickock.

The court fixed the hour of execution between 12:01 and 4 a. m. on that date for the two men who were convicted of murdering Mr. and Mrs. Herbert Clutter and two of their children at their farm home near Garden City in 1959 because the men wanted no witnesses to the \$80 robbery.

Answers Your Problems

Dear Ann Landers: I noticed with interest your proclamation of "Return Borrowed Book Day." I'll bet hundreds of books were returned to their owners as a result of that wonderful column.

And now, Ann, will you please proclaim a day for the return of borrowed dishes, bowls and pans? So many well-meaning people bring food to friends and relatives and that's the last they ever see of their containers.

My muffin tin is gone and I don't know who has it. My two choice mixing bowls are floating around somewhere, not to mention my china casserole. I hate to phone friends and ask if they have these items because it seems so chintzy. So please, Ann, proclaim a day for the return of dishes, bowls and pans. Housewives everywhere will call you blessed.—MA HUBBARD

housewives. Today is the day to check the cupboards for odd dishes, bowls, pans, casseroles and containers of all sizes and shapes. Many women are reluctant to return these items — empty — so they procrastinate, and wind up keeping them forever. Take it from me, Girls, the owners would rather have them empty than not at all — so get going.

Dear Ann Landers Last week our 17-year-old son brought home a boy friend and asked if he could stay with us until he graduates from high school next year. The lad is an A student, well behaved, attends church every Sunday and never runs around. Any set of respectable parents would be proud of a son like this.

His parents, unfortunately, are not decent people. The school counselor advised the boy to move out of the house. He had no place to go so my son brought him here.

Our problem is that we are just barely making it financially. My 90-year-old father lives with us, and we have three other children. Is there any way we can make the boy's parents pay for his keep? They have not contacted him since he left home three weeks ago although they know where he is. Please advise us here. — WANT TO HELP

Dear Want to Help: The school authorities should look into your community's foster home plan. Perhaps you can be paid by the county or the state if the boy's parents are not able to do so.

If for some reason you cannot be paid PLEASE, PLEASE keep him anyway. Few people have the privilege of performing a service so valuable. You could be his guardian angels.

Dear Ann Landers: I was 12 years old when my parents explained to me that my real mother had died when I was an infant and that my mother was actually my stepmother. This came as a surprise but not a shock.

My step-mother is a sensitive woman so I have never brought up the subject since and neither has she.

My own children are now 10 and 11 years of age and I have never told them. Young children sometimes say the wrong thing and I'd feel terrible if they embarrassed their grandmother in any way.

We do not live in the same city and the children see their grand-

mother infrequently. Do you think they should be told? Or is it best to leave sleeping dogs lie? —UNDECIDED

Dear Undecided: There are no dogs around — just facts. And I see no reason why the children should not be told. They will probably show surprisingly little interest in the subject since they themselves are not involved. You will wonder why you made such a big deal of it.

Confidential to HEARTSICK: Time wounds all heels and he'll get his. Don't spend another minute thinking about how to get ven. It's bootless and destructive.

Ann Landers will be glad to help you with your problems. Send them to her in care of this newspaper enclosing a stamped, self-addressed envelope.

June Wedding in Eldon Unites Barbara Sanning, Wm. Huhmann

Mrs. William J. Huhmann

The side altar of Sacred Heart Catholic Church, Eldon, was decorated with white lilies and the main altar had blue and white floral arrangements for the ten o'clock morning wedding June 15 of Miss Barbara Ann Sanning, daughter of Mr. and Mrs. Gilbert W. Sanning, Eldon, and Mrs. William J. Huhmann, son of Mr. and Mrs. George F. Huhmann, Tipton.

Performing the double ring ceremony was the Rev. William Baskett.

Miss Marilyn Schulte played organ accompaniment as she and her sister, Miss Marlene Schulte sang "On This Day, O Beautiful Mother," "Ave Maria," and "Mother, at Your Feet Is Kneeling," as the bride presented a bouquet of white chrysanthemums

at the foot of the statue of the Virgin Mary.

The bride wore a gown of imported Chantilly lace over taffeta with tulle overskirts. The all lace fitted bodice had a scalloped Sabrina neckline embroidered with seed pearls and iridescent sequins. Long tapered sleeves of lace came to points over the wrists. A lace edged overskirt was caught by a lace bridal rose to show several rows of lace and tulle ruffling in the front. Down the back of the floor length skirt were alternating rows of ruffled tulle and Chantilly lace. The hand rolled fingertip veil of silk illusion was held by a double crown of lace, outlined with tiny pearls and embroidered with sequins. She carried a crescent bouquet of white pompon chrysanthemums.

centered with a white orchid. Her only jewelry was a pearl and heart shaped pendant, a gift from the bridegroom.

Miss Mary Jane Huhmann, sister of the bridegroom, was maid of honor. Bridesmaids were Mrs. Sharon Lepper, Henley, and Miss Jana Heyerpeter, Jefferson City, cousins of the bride. They wore powder blue street length dresses of taffeta and organza. The fitted bodices featured scoop necklines and small cap sleeves. Bouffant styled skirts were accented in front with bows at the waistlines. They carried crescent bouquets of white pompon chrysanthemums, interspersed with blue ribbons. They also had circular face length veils of powder blue, secured by taffeta headpieces trimmed with tiny seed pearls.

The flower girl was Miss Cynthia Thessen, Jefferson City, daughter of Mr. and Mrs. William Thessen. Cindy wore a floor length gown of white taffeta with overskirt of ruffled net and lace. She wore a white crown with a circular veil and carried a crescent bouquet of white pompon chrysanthemums.

Ringbearer was Master Brian Huhmann, son of Mr. and Mrs. James Huhmann.

Mr. James A. Sanning, Eldon, brother of the bride, served as best man. Groomsmen were Mr. Wilbert Huhmann and Mr. Wayne Huhmann, brothers of the bridegroom.

Ushers were Mr. Robert Iven, Jefferson City, cousin of the bride, and Mr. Robert Huhmann, Warrensburg, brother of the bridegroom.

Mrs. Sanning wore, for her daughter's wedding, a blue silk shantung sheath dress with white accessories. A yellow embroidered dacron dress and white accessories were worn by Mrs. Huhmann. Both mothers had corsages of orchids.

After the ceremony, a reception was held in the church hall, which was decorated with white and blue streamers and white bells. The table was centered with a white three tiered cake decorated with bells. In charge of the reception was Mrs. Virginia Tennis. Assisting her were Mrs. Agnes Crowder, Mrs. Marge Jurgensmeyer, Mrs. Mary Jo Groves, Mrs. Irene Ayres, Mrs. Ruth Lupardus, Mrs. Freda Lana, Mrs. Eunice White and Miss Irene Fitzgerald.

Mrs. Judy Huhmann and Miss Anita Blaurock were in charge of the guest book. Gifts were listed by Mrs. Deloris Allen and Mrs. Barbara Huhmann.

At 2 p.m. a buffet dinner was held for members of the immediate families. Assisting with the dinner were Mrs. Edith Blomberg, Mrs. Fern Hoskins, Mrs. Florence Otto and Mrs. Cleatice Schute.

For the wedding trip, the bride

OBITUARIES

Jacob S. Whiteaker (Lincoln)

Jacob S. Whiteaker, 86, Lincoln, Route 2, died Wednesday morning at the home of his son, Ray Whiteaker, Lincoln, Route 2.

Mr. Whiteaker was born at Racine, Wis., Nov. 3, 1876, the son of Wilson and Elizabeth Clausen Whiteaker. He was married on Oct. 17, 1909, to Icy Elizabeth Morrow, who died Jan. 11, 1962.

Preceding him in death, also, was a son, Orville, who died at the age of 12.

Surviving are two daughters, Mrs. Ella Deckard, Lincoln; Mrs. Thelma Snider, Sedalia; one son, Ray Whiteaker, Lincoln, Route 2; three sisters, Mrs. Marlen Shockley, Edwardsville, Ill.; Mrs. Marguerite Steiner, Gays Mills, Wis.; Ed Purington, Blue River, Wis.; eight grandchildren and three great grandchildren.

Funeral services will be at 2 p.m. Saturday at the Fred Davis and Son Funeral Home, Lincoln, with the Rev. S. A. Gardner to officiate.

Burial will be in Mt. Pleasant Cemetery.

Martha Louise Weber (Sweet Springs)

Miss Martha Louise Weber, 74, a lifetime resident of Sweet Springs, died Wednesday at Community Hospital, Sweet Springs, after a long illness.

She was born in Sweet Springs Aug. 15, 1888, the daughter of Adelheid Brandt Weber and Edward Weber. Her church membership was at Holy Cross Lutheran Church, Emma.

Surviving are one aunt, Miss Anna Brandt, Sweet Springs, and several cousins. She was preceded in death by her parents and one brother.

Funeral services will be at 2 p.m. Friday at Holy Cross Lutheran Church, Emma. The Rev. William Hepting, pastor, will officiate.

Burial will be in the church cemetery. The body is at Moseley Funeral Home.

Ned Embry (Wichita, Kan.)

Ned Embry, 52, Wichita, Kan., former Sedalian, died Monday of a heart attack.

Surviving are his wife and son, Robert T. Embry, of the home; a daughter, Mrs. Jane Woodbury, Lawrence, Kan.; his father, A. M. Embry, and sister, Mrs. Pauline E. Mosier, both of Atkins; and a brother, Benjamin T. Embry, Mission Hills.

Funeral services were held at 2:30 p.m. Wednesday at St. Andrew's Episcopal Church, Wichita, Kan.

Miss Leona Howard (Stover)

Miss Leona Howard, 67, Stover, died at her home near there Wednesday, following a lengthy illness.

She was born in Morgan County, Nov. 6, 1895, daughter of the late Greenberry and Martha Bryson Howard. She was never married.

Surviving are two sisters, Mrs. Elsie Meeks and Mrs. Alice Meeks, both of Stover.

Funeral services will be held at 10:30 a.m. Friday at the Scrivner-Stevenson Funeral Home, Stover, with the Rev. James DeLong officiating.

Burial will be in the Oak Grove Cemetery, near Versailles.

Heinrich Gets Post

Paul Heinrich, of Mexico, Mo., has joined the staff of the Pettis County Welfare Office as a child welfare worker.

Heinrich, a 1963 graduate of the University of Missouri, replaces Mrs. Ruth B. Strumfelds, who has taken a position with the state Division of Welfare in St. Louis.

Am. Legion Meets

The district meeting of the American Legion and American Legion Auxiliary will be held Sunday afternoon starting at 1:30 p.m. at the new American Legion Building on West 16th, which is not yet quite completed.

Club Hears O'Dell Talk

Sedalia Lions Club members heard Dr. Gardner O'Dell, Sedalia Presbyterian minister, speak on basic democratic concepts of government at the club's regular meeting held Wednesday, at the Bothwell Hotel.

Dr. O'Dell pointed out that one of the factors necessary for a successful representative form of government is for the peoples' representative to vote according to his best judgment, unhindered by pressure groups or lobbies.

Dr. O'Dell also raised the question as to whether public office is becoming a rich man's vocation. The high cost of election campaigns for the presidency, today, nearly rules out, according to Dr. O'Dell, a poor candidate like Lincoln. Dr. O'Dell also noted that most congressmen and senators in Washington, today, are from the "above average" income bracket.

The speaker concluded that leadership should stem from a man's "fitness to lead" and from his successful performance of public service. Dr. O'Dell noted that the right to rule has come from both inheritance and the wielding of unbalanced power in the form of armies, in past history. "Wealth, as a source of power and a necessity to hold office, can be even more undesirable in today's democratic society," noted Dr. O'Dell.

Two visiting Lions were guests of the club Wednesday. N. F. Harms, secretary of the Midland, Texas, Lions Club, and Vincent Igo, an out of town Lion in Sedalia to open the new Holiday Inn motel, were welcomed by local President J. L. Van Wagner, Jr.

Barker, Crews Returned To Pettis County

Ronald Dean Barker, 19, and Larry G. Crews, 20, both of Springfield, were returned to Sedalia about 9 p.m. Wednesday from Springfield where they had been arrested Tuesday.

The two were charged with stealing over \$50 in connection with the burglary of the Canteen Service, 2435 West Main, on Monday night. Pettis County Sheriff Emmett Fairfax and Deputy Jack Coutts made the trip to Springfield to return the pair.

Bond for Barker and Crews has been set at \$2,500 by Judge Frank Armstrong of the Magistrate Court. No date for a preliminary hearing for the two has been set as yet and they are being held in the county jail.

The two were arrested in Springfield Tuesday morning after a companion Robert Lewis Franck, 28, also of Springfield, was taken into custody here at the Royal Hotel. All three were charged Tuesday with stealing more than \$50.

Franck orally admitted his role in the burglary here, Sheriff Fairfax told the Democrat-Capital Wednesday night. Fairfax further indicated that Springfield authorities had cleared up several burglaries there while questioning Barker and Crews in Springfield.

Franck was returned to Springfield Tuesday night on a fugitive warrant. Franck had burglarized a service station there of more than \$800 in cigarettes and reportedly fled authorities by jumping through a window after being arrested. After facing the charges in Springfield, Franck will be turned over to Pettis County authorities for trial here.

Second Red Cross Swimming Class

Pettis County Red Cross officials reminded local residents that the second period of instruction in water safety begins July 2, at Sedalia's Liberty Park public swimming pool.

The water safety classes, instructed by Red Cross trained instructors, are divided into groups based on age and swimming ability. Most of those youngsters scheduled were enrolled through the public school system. Pettis County children not enrolled should contact the local Red Cross office, 112 West Fourth, for further information.

A second water safety instruction program, now in progress at Hubbard Park pool, is scheduled on a separate single period due to the smaller number of students.

Mrs. Maurice C. Hogan, water safety chairman, said that junior and senior life saving courses for advanced swimmers will be held later in the summer with the schedule to be announced in the near future.

Accidents

James E. Stone, Jr., 19, Ulrich, received severe injuries to his left elbow about 3:15 p.m. Wednesday in a two-truck accident on Highway 50, just east of the Pettis-Morgan County line. He was brought to Bothwell Hospital in the Ewing ambulance and was treated by Dr. E. M. Braverman. He was later admitted and surgery on the elbow was scheduled to be performed, hospital authorities said.

According to the Highway Patrol, Stone was eastbound in a 1963 Chevrolet one-half ton truck, and was involved in an accident with a 1963 GMC tractor-trailer, driven west by Fred Pohnert, 39, Independence.

The Patrol said that the Stone vehicle was on the wrong side of the road and in getting back in the proper lane sideswiped the trailer truck unit. It was reported Stone had his left arm out the window at the time of the accident.

Stone was given a Highway Patrol summons for careless and imprudent driving by investigating trooper W. T. Southwick.

Two cars were damaged in a collision at 9:28 p.m. Wednesday in the 2200 block of South Limit at the entrance to Colie's Drive-In.

Involved, according to police, were a 1961 Dodge, driven by Frankie M. Boyd, 57, 501 North Prospect, and a 1953 Cadillac sedan, driven by William F. Worley, 38, Shawnee, Kan.

The right side of the Boyd car and the right front of the Worley auto were reported damaged.

Terry Patton, 14, of 9925 Linden Lane, Overland Park, Kan., was treated and admitted to Bothwell Hospital Wednesday afternoon after his left foot was injured in a riding lawn mower accident on the Lake of the Ozarks.

Patton was brought to the hospital in a private car and was admitted at 3:15 p.m.

No one was injured in an accident at Broadway and Beacon about 7:08 p.m. Wednesday.

Involved were a 1959 Chevrolet driven by Darrell R. Burton, 26, Nelson, and a 1962 Plymouth driven by William Hopkins, Jr., 18, 1610 West 13th.

The Chevrolet was westbound on Broadway and the Plymouth headed north on Beacon, crossing Broadway when the accident occurred. The left rear of the Chevrolet and right front fender of the Plymouth were damaged.

There were no injuries in an accident in the 900 block of South Limit about 2 p.m. Wednesday.

Damaged was the right front of a 1960 Dodge driven by Gail Klover, 39, 2505 Wing, and the left rear of a 1955 Oldsmobile driven by Bessie Ramsey, 50, Sedalia Motel.

Both vehicles were headed south on Limit at the time of the accident. The Ramsey car was pulling onto the highway when the accident occurred.

There was a hit-and-run accident at 516 East Fifth sometime between 9 p.m. and 3 a.m. Tuesday night.

Damaged was the left rear fender of a parked 1958 Ford owned by William E. Bruening, 22, 516 East Fifth.

Bruening came to the police station about 5:30 p.m. Wednesday to report the accident.

Silas Sisco, 44, Hughesville, was treated at Bothwell Hospital at 4:20 p.m. Wednesday by Dr. Donald Proctor for an injury to his left foot, reportedly sustained while operating a power lawn mower. It was reported that he ran over a piece of wire which the machine ejected and then struck his foot. He was admitted for further observation.

A license number supplied by a witness led to the apprehension of the second driver in a hit-and-run accident in the 100 block of South Lamine about 5:30 p.m. Wednesday.

Involved in the accident were a parked 1959 Ford, owned by Frederick L. Gilliland, 45, Terry Hotel, and a 1958 Plymouth, southbound on Lamine, driven by Raymond P. Wilson, 39, 1106 West Fourth. Damaged were the left rear fender of the Ford and the right front of the Plymouth.

Wilson was brought to the police station and charged with careless and imprudent driving and leaving the scene of an accident.

Mrs. Beatrice Beard, 42, South Hill, was treated at Bothwell Hospital about 7:40 p.m. Wednesday for whip lash injury to her neck, after being involved in an accident about 6:53 p.m. in the 100 block of West Broadway.

Involved in the accident were a 1963 Ford, driven by Noah W. Beard, 52, Route 2, husband of the injured woman, and a 1953 Studebaker driven by William J. Trull, 46, 715 West Seventh.

Both cars were westbound on

Broadway when the Studebaker reportedly collided with the rear of the Ford. The front of the Studebaker and the rear of the Ford were damaged.

James R. Tyroler, 3 1/2, 1704 South Park, was treated in the emergency room at Bothwell Hospital Thursday morning for an overdose of vitamins. It was reported the child chewed up a great number of pills. He was treated by Dr. E. M. Braverman, then released.

Mark Joseph Healey, 7, Route 4, was treated at Bothwell Hospital Thursday morning for an injured right forearm he received when he fell off a clothesline cross-arm. He was treated by Dr. E. M. Braverman, then released.

Police Reports

A zoning disagreement over the use of a driveway has resulted in a charge being filed against a Sedalia man.

Gib V. Owen, 53, 807 North Grand, of the T & O Lime and Rock Company, was charged at 6:30 a.m. Thursday with using a driveway over a lot in an R-1 (first dwelling house) district for commercial purposes and as access to property located in an M-2 district (heavy industrial).

The complaint against Owen was signed by Lou Derendinger, police reported.

Owen posted a \$100 signed bond and the case was set for Police Court on July 2.

The front window at the Miller Coal Company, 618 East Fifth, was broken by a shot from a BB or pellet gun sometime during the past few days, it was reported to police Thursday at 12:30 p.m. The window was valued at \$10.

Bob Estes reported to police at 7:35 a.m. Thursday that a home-made go-cart was stolen from his garage at 320 North Park. The garage was not locked, he reported, and the go-cart was valued at approximately \$60.

An employee at the Pepsi-Cola Bottling Company, 1101 South Limit, surprised some would-be soda pop thieves in the act about 11:10 p.m. Wednesday and the subjects ran south on Limit.

Police were called to the scene and reported five cases of soda pop had been removed from trucks parked inside a fence at the plant. The cases had been carried to the northeast corner of the enclosed area when the subjects fled.

A "beer bust" was in progress at 32nd and Washington at 11:30 p.m. Wednesday. The report was relayed to Highway Patrol Trooper Pete Stohr, who went to the scene. No prosecution was reported.

After chasing down numerous reports of youngsters shooting fireworks inside the city limits, Sedalia police early Thursday morning made their first arrest of a fireworks culprit for the season. Charles William Young, 17, 1002 East 12th, was arrested at 1:10 a.m. at Sixth and Harrison and charged with discharging fireworks inside the city limits.

Young was released on a \$50 signed bond for appearance in Police Court on July 1.

Would-be vending machine burglars struck quickly at the Dutch-Maid Coin Laundry, Main and Harrison, early Thursday morning, but nothing was believed taken.

Police Officers William Burnham and Virgil Frazier had checked the laundry at 5 a.m., reported a laundry service man there and everything was all right.

At 5:37 a.m. Sgt. Perry Franklin discovered the bottoms had been pried off a soap vending machine, a cigarette machine and a candy machine.

David Kirby, 618 West Sixth, and Donald Brown, 609 West Third, claimed two bicycles at the police station about 9:40 p.m. Wednesday. The bikes had been reported stolen from the Liberty Park swimming pool Tuesday afternoon.

H. T. McMillian, 1505 South Garfield, reported to police that someone shot a hole in his car's windshield while the vehicle was parked at Seventh and Emmett sometime Wednesday. The gun was apparently a pellet gun or BB gun.

Steve Cannon, 1406 South Warren, reported his bicycle stolen from Liberty Park sometime Tuesday night. The bike is a black bike with white handle grips.

John Petree, 1800 South Kentucky, reported his black English bicycle with chrome fenders and a pouch on the seat stolen from near Beverly's Restaurant sometime Wednesday. The report was made at 2:10 p.m. Wednesday.

on a measure of Russian tolerance and generous subsidies from West Germany.

The Russians could cause trouble in obvious ways. By tying up rail traffic in Leipzig, more than 100 miles away, for example, or by tying up barge traffic in the canals. Why, then, should they risk world war by military action? As the lighthouse of the West, Berlin has an importance transcending economics. The people "in the barren confines of the East," said the President, "must be kept in touch with Western society." For that reason, he told an audience at Berlin University, "You have no higher opportunity than to stay here. . . to show your neighbors a growing and productive city offering freedom."

Just as Berliners today draw strength from Mr. Kennedy's visit, most of the men and women behind the iron curtain draw strength from West Berlin merely because it's there.

These people can't wave flags for Kennedy: across the wall East Berlin seemed deserted and condemned. But the people are there.

Behind the wall, in the zone and the satellites are millions who live in the hope that someday the Americans will come back. Maybe we won't, but perhaps our way will.

That was the truth Mr. Kennedy had to tell.

A 1963 Mercury, owned by Tom Nelson, Bunceton, backfired through the carburetor at 10:20 a.m. Thursday at 13th and Thompson and resulted in slight damage to the car.

Firemen responded to the alarm, but the blaze was out when they arrived.

Other Fires

An M-K-T Railroad boxcar loaded with baled paper caught fire Thursday evening near Beaman. The Pettis County Fire Department answered the alarm at 7:20 p.m. and used two booster lines from the fire truck to extinguish the blaze in the car.

The train crew moved the car on to a siding after the blaze had been extinguished. Damage to the railroad car could not be immediately determined.

Police Court

Robert James Thornton, 207 North Washington, charged with assault and disturbing the peace on complaint of Dorris J. Thornton, pleaded guilty and was fined \$25.

Raymond P. Wilson, 1106 West Fourth, charged with careless and imprudent driving and leaving the scene of an accident, pleaded guilty and was fined \$30.

Frankie M. Boyd, 501 North Prospect, charged with careless and imprudent driving in connection with an accident, pleaded innocent, but after a hearing was found guilty and fined \$25. A stay was granted on the fine.

Ronald L. Robertson, 125 East Boonville, charged with parking on the wrong side of the street, forfeited a \$2 bond.

Mary Ellen Morrow, 709 West Seventh, charged with parking on private property, forfeited a \$2 bond.

Sedalian To Take Lie Test

A polygraph test will apparently decide whether or not Fred Lee Baugher, 47, 2717 South Ingram, will be bound over to Circuit Court for trial on a charge of stealing over \$50.

Baugher, charged in connection with the taking of some television sets and television testing equipment from the Caldwell Radio and TV Shop on June 7, had appeared in Magistrate Court for a preliminary hearing on June 20. At that time, Judge Frank Armstrong took the case under advisement after hearing testimony.

Prosecuting Attorney J. R. Fritz told the Democrat-Capital Wednesday afternoon that he had reached an agreement with Baugher's attorney, William F. Brown, regarding the polygraph test.

Fritz noted that a polygraph—or lie detector—test is not regularly admissible evidence, but said that its findings would be trusted in this instance.

Fritz said the test would be taken by Baugher at Marshall sometime in the next few days.

Baugher testified at his preliminary hearing that he was with another man charged in the same case on the night in question, but said that he was not aware any of the stolen television equipment was in his truck when he drove home.

The other man charged is Richard Kenneth Rayl, 20, 1323 East Fourth. He waived a preliminary hearing and has been bound over to Circuit Court for trial.

Street and Grand Avenue with hot mix asphalt spread by contractor. Old asphalt removed by street department.

Removed 391 dead trees from parking areas along streets. Most of tree removal work was done by a contractor. Trees and limbs were piled and burned by street department.

Street department mechanic overhauled motors in five city trucks, in steel roller, conveyor belt loader, tractor loader, and clutches in two motor graders.

Street department mechanic constructed large mechanical vibrator screen for salvaging pea gravel for re-use.

Tamped backfill and replaced pavement on 31 paving cuts made by plumbers for installing and repairing sanitary sewer house laterals.

Placed concrete patches in 11 broken areas of old concrete and brick pavement.

CERTIFICATE OF RECOGNITION is presented to Mr. Sam Boyle, Executive Secretary of the Sedalia Chamber of Commerce by Col. Willis F. Lewis, 340th Bomb Wing Commander. The certificate was presented to Mr. Boyle for outstanding community relations that exist between the base and the city of Sedalia. The presentation was made at a Sedalia Chamber of Commerce sponsored Stag Dinner held at the Catholic Community Center near Sedalia Monday.

Simplified Sewing Classes
The third meeting of the Simplified Sewing Classes was held Friday, June 21. The fourth and last class will be held Wednesday, July 10. There were several absent Friday. We hope all will be able to attend the last meeting.

Pattern Alteration Classes
The pattern alteration classes have been rescheduled to start September 18. These will be followed by the fall tailoring classes.

Sewing Today's Fabrics
"On with the new" seems to be the order of the day for new fabrics. Old familiar fibers and fabrics have taken on a new look in textures and finishes; new fibers have come onto the market. All call for new knowledge for correct handling during the construction of fashions.

New techniques are required in sewing today's fabrics — your choice of pattern, cutting, the adjustment of the sewing machine, the type of thread, size of needle, and pressing. Take a critical look at your pattern collection and discard the old ones — especially those more than two or three years old. Changes have been made in patterns such as the amount of sleeve ease, simplicity of design with fewer seams, etc., to accommodate the newer fabrics.

Your sewing methods will vary according to the fiber content, texture, weave or fabric finish. You'll still use good basic construction techniques such as stay-stitching, directional stitching, pressing, and seam finishes except where changes are necessary for a specific fabric.

Sewing Skills
Use and adjust your sewing machine properly.

Save time by having all equipment in good order before you start to sew.

Study your pattern. Properly prepare your material before cutting out the garment.

Check the fit of the pattern and make any necessary alterations before the garment is cut.

Select proper bindings, trimmings, and interfacings to achieve a well-constructed garment.

Use fine pins and sharp shears. Cut generous seam allowances for fabrics that tend to ravel, and always cut notches outward.

Stay-stitch all curved and bias edges as soon as you remove pattern pieces from the fabric.

Test machine stitch on a double thickness of extra fabric along lengthwise grain. Check length of stitch, tension, and pressure on sewing machine before permanently stitching garment.

Machine-stitch seams with the grain on stitching line.

Experiment with pressing on a scrap of fabric to be certain of correct iron setting.

Press as you sew, on the wrong side of fabric. Press seam with edges together first, then press seams open.

Finish seams in the manner best suited to the fabric and to the location of the seam.

Hang garment at least 24 hours before marking hemline.

Pile Fabrics Require Sewing Skill
Velvet, velveteen, and corduroys benefit from one common rule: the nap in all garment sections should run in the same direction.

Choose a simple pattern with a minimum of seams, darts, and tucks. Avoid one with top-stitching, as the presser foot will mat the surface.

Since all pattern pieces must be cut in one direction, extra material is required for garments of pile fabrics.

A richer color is obtained by running the nap toward the face. Velvets and velveteens are greatly enhanced if cut with the pile running up. Corduroys, however, show less wear if cut with the pile running down, but the color is lessened. When sewing wide wale

corduroy, the ribs should be matched.

Baste all sections carefully before machine stitching to prevent fabric from creeping and causing puckered seams.

Adjust the machine for 10 to 12 stitches per inch.

Use a size 14 needle and loosen the tension slightly.

Reduce pressure on presser foot.

For a smooth seam on velvet and to prevent matting, place tissue paper between two sections being stitched.

Pink and edge-stitch or bind all seam edges for a smooth finish. Don't top-stitch pile fabrics.

A needle board prevents the pile of velvet or velveteen from matting. Place the fabric with pile side down on needle board; cover the wrong side with damp press cloth and press gently in direction of nap. If a needle board is not available, stand iron on end and place a damp cloth over it. Hold the fabric lightly wrong side against cover on iron, and draw the fabric across it to steam-press. Handle fabric gently, as fingermarks show easily.

When pressing corduroy, place a folded turkish towel on ironing board before proceeding.

Wash-and-Wear Fabrics
Wash-and-wear fabrics fall into three major classes: first, fabrics woven or knitted from 100 per cent synthetic yarns; second, the blends and combinations which contain any of these synthetics plus another fiber; and third, cottons, wools, and rayons that have been chemically treated to make them crease-resistant and quick-drying.

Because seam puckering and difficulty of easing are problems with these fabrics, choose simple, uncomplicated patterns with few seams and no top-stitching.

When you buy, examine the torn edge to see if fabric grain is correct and true. The finishes used on wash-and-wear fabrics are permanent, so off-grain fibers are locked into position and it's impossible to straighten them by steaming or pulling.

Some of these fabrics tend to retain pinholes, so use sharp pins and scissors. Cut to exact size, as they have little give and may shrink very little, if at all. Check label for maximum shrinkage information.

Set machine for a medium to long stitch, about 10 to 12 stitches

per inch. Be very particular about this.

Use a looser tension than usual on both upper and bobbin thread so that fabric lies flat and is not pulled or puckered. Test for balanced stitch after tension is loosened. This tension and stitch adjustment is important to prevent puckered seams.

Use a size 12 to 14 needle.

Use mercerized cotton thread to sew cottons; synthetic thread such as textured nylon is best for synthetics and blends.

Use light pressure on presser foot.

Hold fabric securely with both hands. Stitch at a steady even pace. Sewing in spurts produces uneven stitches.

Any interfacing or lining used should have the same wash-and-wear qualities as the garment fabric.

Use either a steam iron or a dry iron set for low temperature, with a press cloth. Do not press seams, darts, or folds until you're sure of proper fit and placement, as pressed creases leave marks.

matter of fact

Pure-food-and-drug acts go back as far as ancient Athenian laws against the adulteration of wine with color or flavoring agents. In England during the reign of William the Conqueror, brewers were fined for adulterating beer, and in the 14th century the artificial coloring of butter was prohibited in Paris.

Garden Clubs Tour Gardner Garden Tuesday

o'clock, members of the Sedalia Garden clubs gathered at the home of Mrs. Ted Gardner, to make a tour of her garden and other lovely gardens.

In Mrs. Gardner's garden were many beautiful day lilies, calla lilies, regal lilies were in bloom, along with galatias, brown sunflowers, daisies and the bright colors of portulaca.

Outstanding were the spires of the ash leaf, the red clematis, the purple fruit of the hopa tree and the flowers of the mixed border.

The garden of Mrs. Fred Wertz, which is always beautiful, was a mass of color, and poppies, daisies, lilies, zinnias and roses were

lovely in the long borders of mixed flowers.

The landscaping of Mrs. Oscar DeWolf's garden they found to be in a circle design with evergreens forming the background. Rose beds were, also, in a circle with many hybrid teas and floribundas.

Four rose beds in Mrs. Fred Koenig's garden, were gay with hybrid teas and floribundas of many colors, with border perennials and shrubbery in bloom in rainbow shades.

After going on the garden tour, the group went to Liberty Park where they visited the Memorial Rose Garden. The garden tour committee was ready for them

when they went to the shelter where cold lemonade and cookies were served, by Mrs. O. A. Potter, in the absence of the chairman, Mrs. John Mallett, Club 7.

Field Service Students To Visit Sedalia

The bus loaded with American Field Service students will arrive in Sedalia at 5:15 p.m. Sunday and members of the American Association of University Women will be on hand to welcome them at the Broadway Presbyterian Church parking lot, as will many other people. They will be hot and tired and ready for the ice cream from Tullis-Hall and the soft drinks from Pepsi Cola Co., which is the way of these two companies of greeting the youngsters from other lands.

One of the big things planned is the dinner, the first dinner to be held at the new Holiday Inn, and the public may join the AAUW and their guests at the dinner Monday at 6:45 p.m., but

reservations must be in by 6 p.m. Thursday, and may be made by calling Mrs. Jack Cunningham, TA 6-1605 or Miss Edna Snell, TA 7-0432.

But something has been planned for Sunday night, too, a party at the Country Club between 7 and

Helping Hand Club Meets at Rhoads'

Helping Hand Club, Beaman, met in June at the home of Mrs. Dale Rhoads. Mrs. Rhoads gave the devotional, "I Saw God Wash the World."

It was decided to meet July 9 at the home of Mrs. Marvin Shull. Refreshments were served.

8, and during their stay here the young guests will be taken on a sight seeing tour. In between they will be entertained in the homes of some of the AAUW members.

The American Field Service students, who have lived in homes the past year and attended school as Ilia Freitas from Brazil did here, come from many countries, Argentina, Brazil, Chile, Colombia, Costa Rica, France, Germany, Greece, India, Indonesia, Italy, Japan, Luxembourg, Netherlands, Norway, Pakistan, Philippines, Singapore, South Africa, Spain, Sweden, Switzerland, Turkey and Uruguay.

They will tell a bit of their native lands at the dinner Monday night.

Opal O'Brian Talks to Club At Georgetown

Miss Opal O'Brian, extension home economist for Pettis County, spoke on "Meats for the Home Freezer" at Georgetown Homemakers' June 19 meeting at the home of Mrs. Lee Dow. Mrs. A. F. Mittelhauser was assisting hostess.

Miss O'Brian's talk was illustrated with pictures of meats and differences in prices. She spoke of what is raised on the farm and the market price.

Roll call was answered by 17 members and two guests, Miss O'Brian and Mrs. Virginia Patterson. There were also ten children present.

The business meeting was conducted by Mrs. C. E. Wells. Minutes were read by Mrs. Charles

Matthew. Financial report was given by Mrs. Leonard Anderson. Mrs. Charles Moore gave the devotional.

Members voted to send \$5 to the student fund.

The newsletter from Mrs. Kath-

ryn Zimmerman was read by Mrs. Burke. Several secret pal gifts were received.

The club will meet July 17 at Liberty Park for a picnic. Mrs. Matthew and Mrs. M. H. Skaggs will be hostesses.

HAM

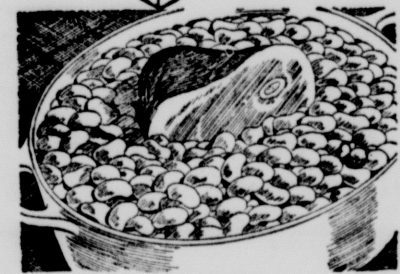

We've made it easier for you to divide our shank half ham into portions that can be cooked in different ways! The shank end of the ham bone has been sawed through so you can quickly remove the end piece to simmer with beans or use in a casserole dish. Then, the remaining meaty portion can be baked whole. Or, as shown in the diagram here, the boneless part can be cut into several thick or thin ham slices to fry or broil. This leaves a chunky bone-in piece for baking. Just think how many meals you'll get from this one ham purchase.

Angels Take Doubleheader From Baltimore, 3-1, 3-2

By MIKE RATHET
Associated Press Sports Writer

Down in the second division since early May and overlooked in the American League pennant scramble, the Los Angeles Angels found themselves in fifth place today after sweeping a two-night doubleheader from Baltimore 3-1 and 3-2 Wednesday.

The Angels, third in last year's pennant chase, climbed from seventh place and dropped the slumping Orioles into sixth on strong pitching by newly acquired Paul Foytack and ace Ken McBride.

Making his first start since he was acquired from Detroit — and his first since last Sept. 12 — Foytack allowed three hits before tiring in the ninth and came away

Lexington, Chiefs To Meet Today

The Sedalia Chiefs, with six wins and no losses behind them, face Lexington at 8 p.m. tonight at the Liberty Park baseball diamond. Lexington has a season record of five wins and two losses.

The starting pitcher for the Chiefs will be Terry Fletcher, who pitched a perfect no-hit, no-walk, 18-0 shutout last Friday at Lowry City. Coach Kenzie Bunker indicates he will also send Jim Schnackenberg, Don Wilhite, and Frank Chipala to the mound for duty in the game.

Ron Mooney leads the Chiefs in hitting, with a .667 average, and Bob Lange heads the roster in runs batted in. In their past four games, the locals have been charged with only one error.

In the starting lineup for Sedalia will be Nicky Nichols on first; Butch Walker at second; Bob Lang, at short; Ron Mooney on third; Gerald Barr in left field; Lonnie Schott in center; Ernie Dow in right; and Bill Ferguson behind the plate.

Appaloosa Show And Races Held Here

The Missouri Appaloosa Association held its approved registered halter and performance horse show and races at the State Fair Grounds Saturday.

The grand champion halter stallion was "Night and Day," owned by Mr. and Mrs. Merle Contant, L and M Ranch, High Ridge, Mo. The grand champion halter mare was "Leeta," owned by Bob Owens, Hole in the Wall Ranch, Sedalia.

A good crowd was reportedly in attendance Saturday afternoon to witness the six racing events in front of the grandstand. Also a part of the show were 12 performance classes and 15 model classes.

with the victory on Julio Navarro's relief help.

McBride won his sixth straight with a three-hitter in the nightcap as the Angels posted their ninth victory in 12 games and handed the Orioles their 22nd defeat in 30 games.

The first-place New York Yankees moved one game in front of second-place Chicago by beating the White Sox 3-2 on home runs by Tom Tresh and Roger Maris. It was the Yankees first victory in five games with the Chicagoans this season.

Minnesota used two homers by Bob Allison and one by Earl Battey to subdue Detroit 6-1. Boston edged Cleveland 6-5 on a ninth-inning homer by Ed Bressoud, his second of the game. The Washington at Kansas City game was rained out.

Foytack, 1-1, had a two-hit shut-out until Luis Aparicio homered in the ninth. Home runs by Bob Rodgers and Leon Wagner, his 16th, tagged Ike Delock, 1-5, with the loss.

McBride, 9-6, was locked in a duel with Mike McCormick, 2-5, until the eighth. A triple by Albie Pearson scored Bob Perry with the tying run and Pearson came across on Jim Fregosi's sacrifice fly.

Tresh's 12th homer and Maris' 16th gave Whitey Ford an imposing 11-3 record. Ford wilted in 90-degree heat and needed Hal Reniff's help in the seventh. The Yankees moved ahead to stay in the fourth inning on a double by Tresh and Elston Howard's single off loser Gary Peters, 4-4.

Home run leader Allison hit Nos. 18 and 19 and now has a league-leading 52 runs batted in while Battey connected for his 16th homer and brought his RBI total to 43. Vic Power's bases-loaded single in the seventh cracked a 1-1 tie and brought Dick Stigman, 6-7, the victory with Bill Dailey's relief aid. Bill Faul, 3-4 took the loss.

The Red Sox made it four in a row over the Indians when Bressoud connected off Pedro Ramos, 3-2, in the ninth after Cleveland had tied the score in the top of the inning on a pinch-hit, two-run homer by Joe Adeock. All Boston's runs came on homers with Russ Nixon and Chuck Schilling also connecting. Jack Lamabe, working in relief, was the winner for a 4-0 record.

Minutemen Gunners In First Place

The Minutemen are in first place in the Sedalia Rod and Gun Club's league trap shoot following Wednesday night's action.

Complete standings follow:
Minutemen 682
Broadway Lanes 678
Burton Cabinets 677
Farmers-Mer. Bank 673
Cole - Cooper 672
Palmer's Barber Shop 667
McCown Brothers 666
Castle Brothers 663
Chaney's Seed House 661
Dugan's Paint-Glass 598

Three gunners broke 25 targets straight to tie for high individual score. They were Gordon Smith, Bernard Dove and Roy Rinkenbaugh.

The Minutemen team produced the high team score with a 114. In the derby point event, Roy Rinkenbaugh fired a perfect 25 to take first.

Bernard Dove, Robert Kepler, Gordon Smith and Dick Cole each turned in 24's to tie for second. Third was a four-way tie at 23 between John Poyner, Byron Barber, Richard Arnett and Ed Berry. Bernard Dove, Green Ridge, was the first shooter to qualify for a 50-straight trophy in league competition, it was announced.

Cards Win Despite Call For Bunting

THE ASSOCIATED PRESS

"We've got to bunt the ball.

The strategy called for it."

"But we didn't," said Manager

Johnny Keane of the St. Louis

Cardinals, "and as a result we

won a ball game."

Keane chose Wednesday night

to have Bill White, a lefthander,

swing away against southpaw

Billy Pierce of San Francisco in

the ninth inning with the winning

run on first and none out.

"Everything called for Bill to

sacrifice," Keane said.

White responded to the "hit"

sign by slashing a single past

hard-charging Giant first base-

man Orlando Cepeda. Dick Groat,

who had opened the inning with

a single went to third.

The Giants walked Ken Boyer,

setting up Charlie James' deep

fly ball to left that fell safely over

a drawn-in outfield and gave the

Cardinals a 6-5 victory.

The triumph preserved the first

place Cardinals' half game lead

over Los Angeles and increased

their margin to 1½ lengths over

the Giants.

The Cardinals now take to the

road where they will open a week-

end series with Houston Friday.

Bob Gibson (6-3) is scheduled to

pitch for St. Louis.

Kansas City was rained out of

its game with Washington at Kan-

sas City. The two teams will try

again today with Orlando Pena

(5-9) scheduled to pitch for the

A's against Jim Duckworth (2-6)

for the Senators.

Bobby Shantz, the fourth Card-

inal pitcher, won his third game

against two defeats by getting the

last out in the ninth with a man

on second.

Palmer Has His Eye On Big Money

CLEVELAND (AP) — Arnold Palmer, golf's big money winner, had a little extra going for him today as he drew a bead on the \$22,000 top prize in the 72-hole, four-day, \$110,000 Cleveland Open.

Palmer was favored, as usual, as 146 professionals and four amateurs teed off in the year's top money event at Beechmont Country Club's 6,616-yard, par 71 layout.

Back in the early '50's, when he won two Ohio amateur championships, Palmer was stationed here as a Coast Guardsman. He played Beechmont so often that he knows it as well as his home course at Latrobe, Pa.

Cured of the stomach ailment which bothered him in last week's

National Open playoff, in which he finished a distant third, Palmer was "hitting 'em a mile" in Wednesday's pro-amateur \$10,000 preliminary.

On the 557-yard fifth hole, he was pin high with two wood shots. On the 511-yard sixth, he went over the green with a drive and No. 3 wood. A drive and a 4 iron carried him past the putting surface on the 507-yard 10th. And on the 312-yard 16th, his tee shot wound up on the fringe of the green.

He finished with five birdies and a 67 and then said, "four 67s will win it."

Despite all that fireworks, Palmer's round wasn't the best of the pro-am tour. Masters champion Jack Nicklaus had six birdies and 12 pars and Mason Rudolph seven birdies and one bogey as they tied for the top with 65. Doug Ford was next with 66.

Cards Keep Narrow Margin On First Place With Victory

By BOB GREEN
Associated Press Sports Writer

Junior Gilliam is a 34-year-old infielder who sometimes is called old. Ron Ferranoski is a relief pitcher who sometimes is called busy.

The Cincinnati Reds, however, are more likely to call them other things.

Gilliam has beaten them with run-scoring eighth inning doubles for two nights in a row and Ferranoski has finished two of the last three games, all of which Cincinnati has lost. Gilliam and Ferranoski provided the key for the Los Angeles Dodgers' 5-2 triumph over the Reds Wednesday night, completing a sweep of the three-game set and running the Dodgers' string to four.

It kept the second-place Dodgers a half game off the pace set by St. Louis and dropped the fourth-place Reds three games behind.

The Cards maintained their narrow hold on the top spot with a 6-5 decision over San Francisco, dropping the Giants 1½ games behind. Hapless Houston ended a 10-game losing string, scoring five runs in the 13th inning and beating Milwaukee 7-2. Tim Lincecum's grand slam homer with two out in the 14th brought the New York Mets an 8-6 triumph over Chicago and Philadelphia defeated Pittsburgh 6-2.

Gilliam, who took over second base from Hall of Famer Jackie Robinson when he came to Brook-

lyn in 1953, is in his 11th year in the majors and sometimes is referred to as "old," rather than the more appropriate "veteran."

He broke a 1-1 tie with a run-scoring double in the eighth against the Reds Tuesday and snapped a 2-2 tie by driving in Ferranoski and Willie Davis with another double Wednesday.

Ferranoski, a durable reliever who gained the "busy" tag by appearing in 70 games last season, gained credit for the victory with 2-2-3 innings of shutout relief pitching. It pushed his season mark to 8-2, lowered his earned run average to 2.09, ran his consecutive scoreless inning string to 12-2-3 and marked his 29th appearance and the 20th game he has finished. He has finished three of the four straight Los Angeles has won.

Charley James cracked a bases-loaded single over San Francisco's drawn-in outfield for the Cardinals' tie-breaking run in the ninth. Ken Boyer drove in four Cardinals runs with a single and three-run homer while Orlando Cepeda hit his 15th homer for the Giants.

Houston had scored only six runs in losing 10 straight. Bob Lillis singled in a run, Johnny Temple doubled in two more, another scored on an error and still another on a wild pitch. Hal Woodeshick, 7-3, won it with six innings of shutout relief pitching.

Harkness slammed a two-out 3-2 pitch by Jim Brewer into the lower right field stands in the 14th inning for his first grand slammer. The Cubs appeared to have put it out of reach on Billy Williams' two-run homer in the top of the inning.

The Pirates let in an unearned run in the fourth, which proved to be the winner, and the Phillies added three more in a wild eight. One came in while a Pirate infielder argued with an umpire and another when a throw for a force play hit a Phillie runner.

Power Ball Keeps Twins In the Race

ST. PAUL-MINNEAPOLIS (AP)—Power brand baseball is keeping the Minnesota Twins in the American League race, specifically the muscle triumvirate of Bob Allison, Earl Battey and Harmon Killebrew.

No other AL team can match the output this season of the Twins' Big Three.

The trio has 50 home runs and 125 runs batted in for 71 games.

Allison smacked two homers Wednesday night as Minnesota ripped Detroit 6-1, while Battey socked one.

Allison now leads the league with 19 homers, and also is first in RBI with 52 and runs scored with 51.

Battey is tied for third in homers at 16 and Killebrew is right behind with 15. Battey has 43 RBI.

Killebrew has whacked nine this month to close in on the leaders.

Twins Manager Sam Mele just enjoys the three-way power splurge, he doesn't analyze it. "It's great," he said Wednesday night. "They're our big men. If they don't hit the long ball, we don't get it. It's pretty self-evident how important these three guys are."

To Install Pastor At Our Savior

The Rev. Marvin Sackschewsky will be installed as pastor of Our Savior Lutheran Church—Missouri Synod, June 30, 2:30 p.m., at Convention Hall in Liberty Park.

The Rev. Walter F. Strickert of St. Paul's Lutheran Church will be the liturgist. The Rev. Strickert has served Our Savior Church as interim pastor since January, when the former pastor, the Rev. Roland Lemke, was called to Las Vegas, N.M. The Rev. Carl H. Wolf, Excelsior Springs, will be the guest speaker, and the Rev. E. H. R. Mueller, Lincoln, will be the representative of the Western District of the Lutheran Church—Missouri Synod, and will perform the official rite of installation. Other pastors of the area will assist in the installation.

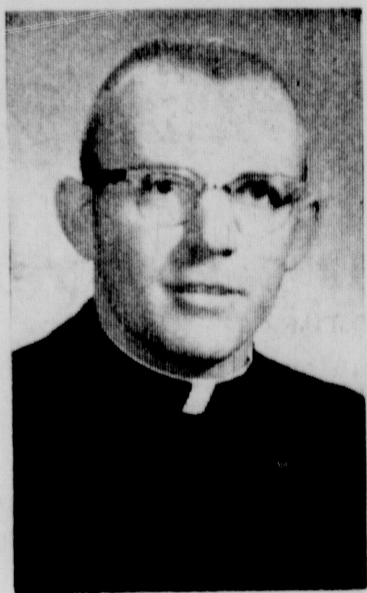

Pastor Sackschewsky is a 1962 graduate of Concordia Seminary, Springfield, Ill. He has been conducting worship services for Our Savior Church since January. During his Seminary training he served as vicar for one year at Holy Cross Lutheran Church, Toledo, Ohio, under the supervision of the Rev. J. P. Fackler.

During the past year the Rev. Sackschewsky has been an instructor in biology at St. Paul's College, Concordia, Mo. He received his training in biology from Colorado State University, Fort Collins, where he obtained a BS degree in forestry in 1954.

After working for the U.S. Forest Service in Colorado for six months, he was called into the Air Force. There he served as an officer in Korea and Japan as a radar controller. After his discharge in 1957 he began his preparation for the ministry at Concordia Seminary, Springfield, Ill., and completed his training five years later.

Pastor Sackschewsky was born in Thayer, York County, Neb., in 1932, but considers Fort Collins, Colo., as his home. Last August he married the former Mrs. Christa Pohlmeier of Ballwin, Mo., a widow with two children, Kayrene, 11, and Bradley, 10. In addition to Kayrene and Bradley, Rev. and Mrs. Sackschewsky have one child, Paul Jonathan, born June 26. Mrs. Sackschewsky was born in Frankfurt-Main, Germany, and came to the U.S. after World War II. The Rev. and Mrs. Sackschewsky and their children will live at 1814 West 11th.

Our Savior congregation was organized in 1960 as a mission congregation by a nucleus of mem-

Magistrates Must Appoint Counsel

KANSAS CITY (AP)—The Missouri attorney general says magistrates must appoint legal counsel for people too poor to hire lawyers to defend them against criminal charges.

Many judges and lawyers here had felt that magistrates did not have the authority to appoint legal counsel.

But Atty. Gen. Thomas F. Eagleton, in an opinion prepared for the Jackson County prosecutor Lawrence F. Gepford, said: "In every criminal case coming be-

fore a magistrate judge the accused should be advised of his right to have counsel."

The magistrate should appoint counsel, Eagleton added, if the accused person is indigent and his case is one of "more than minor significance and when prejudice might otherwise result."

The opinion was received by Gepford Tuesday.

NEW YORK (AP)—Wives and yachts and a night on the town have the slightly restrained approval of the tax man today. But such business entertainment expenses can't be "lavish and extravagant."

The Internal Revenue Service has yet to spell out just what will be dubbed lavish and extravagant. What is lavish for one man can be just the way of life for another. And the modest buildup that will sell one customer might offend another as demeaning.

In any case business firms' bookkeepers will have a lot more work keeping records of all the goings-on for the tax collector to inspect if he chooses. Corporation tax lawyers are likely to be busier, too. And hotels, night club and resort owners, and waiters in general, will continue to be unhappy because of fears of losing business from free spenders and the bother of giving receipts. They are sure to try to change the rules if they can.

The IRS has issued its new rules on tax deductions for business expenses with an Aug. 1 deadline for the bookkeepers, but rules apply to tax returns for all 1963. Now all that businessmen have to do is to study and try to understand them.

Wives enter the picture both as convention companions and as hostesses at home. If they are bona fide spreaders of goodwill in furthering the company's business by entertaining customers and their wives, they are tax deductible. This applies to the cost of restaurant and night club entertaining and also to the cost of home dinners and parties.

The business aspect of yacht and hunting lodge maintenance and of country clubs dues is something the host will have to prove. The IRS says the fine line here between business and pleasure must be clearly established by the taxpayer.

The same goes for night club entertaining which the IRS feels often could be too distracting for real business transactions. It is particularly leary of the "expenditure for beverages served during the floor show."

But it is quite lenient about the ordinary business meal. Or as the new rules specify: "expenditures for meals and beverages served during the course of a breakfast, lunch or dinner meeting of the taxpayer and his business associates at a restaurant, hotel dining room, eating club or similar place not involving distracting influences such as a floor show."

The rules are dubbed final. But the business community is betting that they will prove to be far short of that. Changes will be sought. And either Congress or the IRS may revise them after seeing how the new scheme works.

Turkey Dinner 35c; Beer 5c Each

PITTSBURGH (AP)—A downtown Pittsburgh cafe observed its 30th anniversary Tuesday by cutting back some prices to what they were 30 years ago.

You could get a turkey dinner with potatoes, vegetable, pie and coffee for 35 cents. Beer was a nickel.

The owners said about 1,500 diners, or approximately a half ton of turkey, were served.

Postponed Suicide For Sunny Day

GUATEMALA (AP)—Jose Lucas Camey waited for a sunny day to leap 150 feet to his death from the Belice bridge outside the Guatemalan capital Tuesday.

Camey, an unemployed handyman, left this note: "This accident was to take place June 22 at 5 p.m. But it was raining, so I postponed it until today. Good-bye, friends."

116 Persons Buried In Slides in Korea

PUSAN, South Korea (AP)—Rain-soaked earth slid down over four villages Monday night and Tuesday burying 116 persons in the mud and slime.

Rescue squads with hand shovels dug in search of survivors, but so far none has been found. The latest slide was on Koj Island, 25 miles west of Pusan. Villagers who had fled torrential rains during the night returned early Tuesday and were cooking breakfast when the neighboring hill tumbled down on them.

There were 94 victims, police said, and bodies of 39 have been recovered.

Construction Begins

GREEN BANK, W. Va. (AP)—A spokesman for the National Radio Astronomy Observatory says construction will begin this week on an 85-foot radio telescope to listen in on outer space.

Dr. Frank Drake, chief of the observatory's telescope division, said the movable scope will be paired with an 85-foot telescope already in use.

The instrument, expected to cost about \$500,000, is to be completed early next year, he said.

Associated Universities, Inc., a nonprofit organization of eight colleges, operates the observatory, which monitors radio emissions from the galaxies.

Mayor Pays Fine On 2-Year Old Ticket

WELLSVILLE, N.Y. (AP)—Mayor Robert Gardner and his police chief cleaned out the police files on unpaid parking tickets Tuesday. They found 176 unpaid tickets.

One ticket, two years old, belonged to the mayor. He paid a \$2 fine.

But Ready For War

Titan II Not Yet Ready For Gemini Program

NORTON AIR FORCE BASE, Calif. (AP)—The silo-launched, super-payload Titan 2 is ready for war—but not for its prime peace-time job: lofting the two-man Gemini capsule into space.

The Air Force and the civilian space agency have begun intensive research to reduce bone-rattling vibrations set up during the burning of Titan 2's 430,000-pound-thrust first-stage engine. They say they are close to solving the problem.

These longitudinal vibrations are enough to bounce an astronaut up and down so hard he would have difficulty operating his controls for several critical seconds during launch. They do not interfere with Titan 2's effectiveness as a missile.

Its nuclear payload is designed to withstand much worse jolting—even the nearby explosion of an antimissile rocket would not put the giant warhead out of action.

Human payloads, however, are more delicate. No one is sure just how much jouncing an astronaut can take, but there is general agreement that the one-half "G" stress would at least impair the effectiveness of the two men in a Gemini capsule.

The "G" stands for gravity. An extra half gravity load means the astronauts must be bouncing up and down just as if they were driving on an extremely bumpy road at high speed.

The worst of it is the bouncing comes at a crucial time—when the astronauts must make decisions and push buttons to eject themselves in case the missile should blow up on the pad.

In Atlas-boosted Mercury capsules, malfunction detection is automatic. In the Titan-Gemini system, however, plans call for the final decision to rest with the pilots.

Reds Orbit Ship In 24 Pieces

WASHINGTON (AP)—The Soviet Union launched last Oct. 24 some kind of a spacecraft that went into orbit in 24 separate pieces.

There is no indication whether it was manned.

The Reds said nothing at the time about the launching, and still haven't reported it.

The United States, disclosing this, said the U.S. tracking network observed the advent of the new satellites or bits of satellites, and named each fragment.

The pieces started re-entering the atmosphere five days after the launching. The last fell from orbit Feb. 26.

The United States withheld disclosure of the Oct. 24 shot and a number of other unannounced Soviet space ventures until this week. Then they listed them in a satellite situation report from the Goddard Space Flight Center, Greenbelt, Md.

Goddard, operated by the National Aeronautics and Space Administration, said its information came from the North American Air Defense Command, which operates a satellite surveillance section.

There was no indication whether the Soviet craft blew up in space or broke apart by design.

Only one other spacecraft is known to have shattered into a greater number of pieces. That was the U.S. Transit 4A navigation satellite launched June 29, 1961. It is still in orbit with its Injun subsatellite and 181 fragments. Three other pieces of the satellite dropped into the atmosphere last year.

Other Soviet shots listed in the summary, not yet announced by the Russians, include:

1962, launched last Sept. 12, seven sections of the satellite dropped out of orbit separately within five days.

1962, launched last Nov. 4, five fragments disappeared in November, December and January.

1963, launched last Jan. 4, the largest section dropped from orbit next day but the other two lasted a week.

Spacecraft launched Aug. 25, Sept. 1 and Nov. 1, 1962, and April 2, 1963. The eight pieces of the first craft dropped from orbit in August and September, the four parts of the second disappeared by Oct. 1, and the two sections of the third dropped from orbit on the second and third day of flight. The object launched April 2 is still in orbit, although a part of it decayed April 3.

The Russians were careful to announce each of the 18 launchings in the Cosmos series of unmanned satellites starting March 16, 1962, but for the most part they did not release information on the period each vehicle remained in orbit. The new NASA report gives this information.

The report also discloses that Cosmos 17, for example, launched May 22, went into orbit in seven fragments. The U.S. report showed these still to be in orbit.

Three New Movies On The 'A' Bomb

By BOB THOMAS
AP Movie-Television Writer
HOLLYWOOD (AP)—Ready to be scared? Three major movies about future perils of the nuclear age will be in the theaters within a year.

They are: "Fail-Safe," "Seven Days in May" and "Dr. Strangelove: Or How I Learned to Stop Worrying and Love the Bomb."

All are based on noted novels. All are getting the push of stellar casting and realistic filming.

"Fail-Safe" and "Dr. Strangelove" are Columbia releases. That would seem curious, since they bear a seemingly identical theme: the frantic efforts of the heads of the United States and the Soviet Union to head off a nuclear war.

"Fail-Safe," from the best-seller by Eugene Burdick and Harvey Wheeler, was planned as an independent film by a new company headed by Max Youngstein. It became a Columbia release, and was shot recently in New York with Sidney Lumet directing Henry Fonda, Dan O'Herlihy, Walter Matthau and others.

"Fail-Safe" is straight drama, based on an accidental triggering of nuclear war. The president (Fonda) then works feverishly from his bomb shelter to prevent the utter devastation of the earth. In "Strangelove" the war is started by a psychotic Air Force general. But the film is apparently played for laughs.

"It is a nightmare comedy," says director Stanley Kubrick ("Lolita"). His laughmakers include Peter Sellers in multiple roles as president, etc., George C. Scott, Sterling Hayden and Keenan Wynn. The film is nearing completion at Shepperton Studios in England.

Encyclopaedia Britannica

The first "fragrance garden for the blind" was established in Lima, Pa. in 1929. Fragrance gardens are also located at the Brooklyn Botanical Garden and at the Lighthouse for the Blind in Chicago. These gardens have Braille markers and are designed so that the blind can enjoy trees and flowers and herbs through their textures and fragrances.

Encyclopaedia Britannica

Sellers in multiple roles as president, etc., George C. Scott, Sterling Hayden and Keenan Wynn. The film is nearing completion at Shepperton Studios in England.

Freddie March has been elected president of "Seven Days in May." Paramount's entry in the nuclear-scary pix. Based on the Fletcher Knebel-Charles Bailey best seller, it portrays an attempted takeover of the presidency by militarists in the 1970s.

Burt Lancaster is the power-hungry general, Kirk Douglas the Marine colonel who sniffs out the plot and Edmond O'Brien the Georgia senator who helps the president lick it. John Frankenheimer ("Manchurian Candidate") is directing.
